FEEL LIKE GIVING UP?

Many Norway People—On the Verge of Collapse.

A bad back makes you miserable all the time—
Lame every morning; sore all day.
It hurts to stoop—it hurts to straighten.

What with headache, dizzy spells, urinary weakness.
No wonder people are discouraged.
Who do not know the kidneys may be the cause of it all.

Give the weakened kidneys needful help.
Use a tested and proven kidney remedy.

None endorsed like Doan's Kidney Pills.

Mrs. Myrtle Payne, Norway, says: "A few years ago I was having pains across my back and kidneys. This annoyed me very much and on stooping or lifting, I felt the pains more. I found Doan's Kidney Pills were fine for this trouble. As I used them, the pains gradually lessened and soon I was practically free from the trouble. I feel that Doan's Kidney Pills are entirely worthy of my recommendation."

Norway High School Graduation

(Continued from page 1)

their duties by Principal Hathaway; the election of officers by Theodore Hunt, as president of the joyous evening at the home of John Anderson; a picture of the teaching force included, Mr. Hathaway, Florence Rideout, Edith Knight, Marion Lougee, and Halliburton. Grandmire; then the merging into sophomores, and the address of Albert C. Parker, as sub-master, in place of Mr. Grandmire; and mingle with school work, a gathering at the home of Bradley Willis, with a feast and a merry making; then the going away of Theodore Hunt and Milo McAllister, who volunteered as an answer to the call of their country.

The Junior year, and the members taking part in their Junior play, "The Daughters of the Desert"; the sad death of Gertrude Dunn, one of the dearest and most beloved girls in the class; and with still a shadow over the class, when Florence Rideout resigned from teaching on account of failing health; next came the advent of Marion Lougee to fill this vacancy; and after more weeks, the tragic death of Carroll Barker; the resignation of Mr. Hathaway, who had been principal for sixteen years, but responded to the call of the colors, which necessitated a change in the teaching force.

Then Hazen Nevins, principal, Ruth E. NORWAY AND VICINITY

HARKEN BACK ON THE PAST

Twenty-four Years ago this Week
It is claimed that William Mark Brooks of Norway has taught more schools than any other man in Maine. He has taught 114.

Instead of the teams and horses keeping off Main street there seems to be more than usual. Everyone who has a horse wants to get him used to the cars, and it is one of the great attractions of the village to drive the horses around the cars.

It is a noticeable fact that the horses from out of the village are not as frightened as the village horses. The motorists have had orders to stop the cars when they see a frightened horse. There seems to be about the usual number of teams hitched along the streets.

George A. Borneman is to close his laundry in the rear of the Beal's House. He moved out last Monday.

The first person to pay a fare to the N. and P. Electric railroad was Uncle Jonathan Whitehouse, who has been Sexton at the Norway Pine Grove Cemetery for so many years. Mr. Whitehouse is in his 83rd year. Capt. Edward Ames of steamboat fame was on the car also. A Disgrace to Greenwood

People traveling over the road from Bryant Pond to West Paris over the hills are saying things about the section of the road in Greenwood from the Woodstock line to the railroad crossing.

Although it is now the first of July, nothing what ever has been done to repair the road and it remains just as it came out in the spring with its rocks and holes and we understand the authorities give no promise whatever that any work will be done on the road this year.

The Woodstock section of the road from the village to the Greenwood line was put in fair condition by the middle of May and it is far from the square in thing to leave a half mile of highway in this condition. It is a road over which considerable travel passes every day and with due allowance for scarcity of help and other troubles, it seems as if it was up to the town of Greenwood to make the road at least safe as soon as possible.

BRYANT'S POND
The newly formed Woodstock Athletic Club's baseball team won its first game, Saturday, when they defeated Andover 7 to 3 at Bryant Pond. The game was a pitcher's duel and with the exception of the eighth inning when three errors, a hit and three passes netted six runs for W. A. C. both teams played fine ball. Lloyd Hathaway, the high school pitcher started for the home team and allowed only one hit in the four innings he pitched; Chase who relieved him, was equally effective. The veteran Mills was in the box for Andover and kept the hits well scattered but passes and errors caused his defeat. Friday the two teams met again at Andover. The score:

Fat Folks Learn

How to Reduce

Your Weight

A Simple, Safe, Reliable Way

People who are over-burdened with superfluous fat, know only too well the discomfort and ridicule that over-stout people have to bear.

If you are carrying around 5 or 10 pounds of unhealthy fat you are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without starvation, diet or tiresome exercise, send at once the coupon in the open air, breathe deeply and get from any good druggist a box of Tasso; take one tablet after each meal and one before retiring at night.

Weigh yourself once a week so as to know just how fast you are losing weight and don't leave the treatment or even skip a single dose until you are down to normal.

Tasso is absolutely harmless, is pleasant to take, helps digestion and is designed to consume the excessive fatty tissue by increasing the oxygen carrying power of the blood. Even a few days' treatment should show a noticeable reduction in weight, footsteps become lighter, your work seems easier and lighter and more buoyant feeling takes possession of your whole being.

Every person who suffers from superfluous fat should give this treatment a trial, there is nothing better.

Mrs. Stephen G. McAllister was greatly surprised one morning to see two strange objects rising from her flower garden. Their growth was rapid and her fears increased as the red pointed vegetation made rapid progress. It was out of the ordinary and not like a well behaved garden product. The Advertiser's All-Sorts editor was called in consultation with the family and the mystery was cleared. The trouble makers were in plain English "Stink Horns," but in Latin a jaw-breaking name. They are a long slim mushroom with a disagreeable odor, at times only to "bottle" flies and barnyard beetles. Why the spores selected a flower bed for a home is not known, their mission is to keep in the background.

HOW THIS NERVOUS WOMAN GOT WELL

Told by Herself. Her Sincerity Should Convince Others.

Christophe, Ill.—"For four years I suffered from irregularities, weakness, nervousness, and was in a run down condition. Two of our best doctors failed to do me any good. I heard so much about what Lydia E. Pinkham's Vegetable Compound had done for others, I tried it and was cured. I am no longer nervous, am regular, and in excellent health. I believe the Compound will cure any female trouble."—Mrs. ALICE HELLES, Christophe, Ill.

Nervousness is often a symptom of weakness or some functional derangement, which may be overcome by a famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, as thousands of women have found by experience.

If complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for suggestions in regard to your ailment. The result of its long experience is at your service.
